

# Post Office and Datestamp Compendium

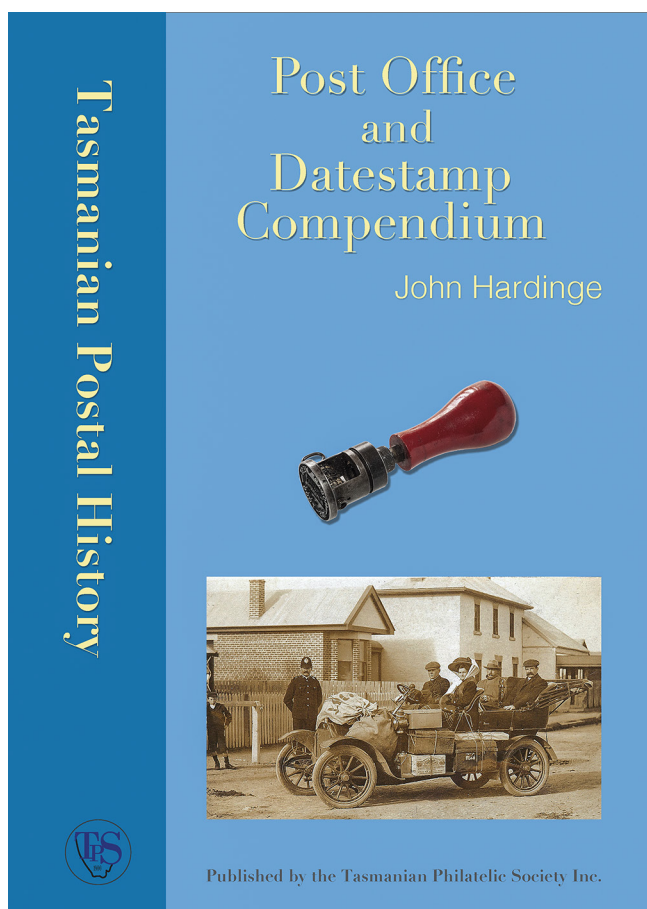

New Tasmanian Philatelic Publication

230 pages, \$90

*Includes updated listings of all post offices, date stamp and rarity ratings from John Harginge's previous book "The Post Offices and Their Datestamps".*

This is a new publication based on John Hardinge's "Tasmanian Postal History: The Post Offices and Their Datestamps" published in 2018. The new book contains post office and datestamp listings and the Types chapter (up-dated) but not the chapters on related postal history. The new book is spiral bound.

## Details

- » **PRICE:** \$90 per copy plus P&P.
- » 230 pages, spiral-bound, printed on high-quality paper.
- » Chapters on Tasmanian datestamp types, how to use the listings and 208 pages on post office openings/closings and all recorded datestamps for each, including rarity ratings.
- » Some 7 pages of updated and new information have been incorporated.

## New and Up-dated Information

- » New Early/Late Dates
- » New discoveries
- » Additional information
- » Two new datestamp Types added - "Timeclock" and "Football" (First Day of Issue)

## Owners of the Original Book

We offer a \$15 discount on the new publication to **CURRENT OWNERS** (rather than original purchasers who may have on-sold the book).

To claim the discount, please contact TPS (email [hesperus@netspace.net.au](mailto:hesperus@netspace.net.au)) for a discount code for the

shopping cart on our website.

A PDF with all new discoveries, corrections and details of two new datestamp types (the "Football" First Day of Issue type and the "Timeclock" type) is available for download at <https://tasstampbooks.com/up-dates>. All up-dates are incorporated into the new book.

## More Information And Book Purchases
